

CHRISTIAN CHURCH IN OREGON Christmas Offering

In the summer of 2009 the Christian Church in Oregon sponsored three summer camps. 135 kids and teens from 20 congregations, along with 37 Counselors and Counselors in Training from 15 congregations, shared three faith filled weeks at Camp White Branch. Included among the staff were interns from Chapman University, Disciples Peace Fellowship, and Northwest Christian University. During camp this year four of the counselors and five youth sought time with our Regional Ministers to talk about their calls to ministry. Camp changes lives! By invitation, the Camp White Branch board now has a member of Eugene First Christian Church, Dick Lauer, as one of their board members. Dates for next year's camps are set and staffs are being built now.
