

CHRISTIAN CHURCH IN OREGON Christmas Offering 2009

Victor Vaca hosts Oregon Visitors

The Oregon Region is in a long term partnership in ministry with FEDICE of Ecuador. Members and friends of the Salem First Christian Church have traveled to Ecuador three times to learn about FEDICE and to work in repairing and building projects in churches.

Currently the Oregon region is involved in a multi-year project to raise \$39,000 for the mission to support staff costs, a chicken cooperative project and volcano recovery ministries. The Oregon region keeps this partnership alive through correspondence and interpretive materials about Ecuador. In 2008 Blanca Puma, Executive Director for FEDICE, along with former Director Victor Vaca, visited Oregon for our regional assembly in Eugene.

This is one way that the Christian Church in Oregon extends its mission.

Other programs of the region include:

Summers Camps Women's Retreats
Nurture of pastors & those studying to be pastors
Support of the Yakama Christian Mission
New Church Ministries
Leadership Training
