

CHRISTIAN CHURCH IN OREGON Christmas Offering 2009

In July 2009 over 100 people gathered in Champoege State park for the first ever Regional Picnic. Members of newly emerging and long established congregations ate together, played together and created a communion service in the park on a hot summer day.

This event was the brain wave of the New Church Team of the region as a way to introduce new church members and long time members to each other. The New Church team gathers monthly to support the efforts of the new congregations as they continue to take shape and add new life to the Christian Church in Oregon. The team's membership includes new church pastors, laypeople from a variety of locations and is led by David Eggleston, pastor of Aloha Christian Church.

Other programs of the region include:

Global Missions Leadership Training
Nurture of pastors & those studying to be pastors
Women's Ministries
Leadership Training
Pastoral Placement
Summer Camps
