

CHRISTIAN CHURCH IN OREGON Christmas Offering

In July 2009 fourteen women from Oregon Disciples of Christ congregations traveled together for five days learning how Oregon congregations are serving the needs of their hungry neighbors. They visited soup kitchens, community gardens, shelters, food pantries and much more. Their travels helped to spread many good ideas from one local congregation to another. Partially funded by a grant from the Women's Endowment Fund, this trip was one of several projects of the Oregon Regional Women's Circle. This group of 18 women from around Oregon plan a fall spiritual renewal retreat each October and six mini retreat events known as "Play and Pray Days" throughout the spring. Last year 206 women attended the mini retreats and almost 100 women enjoyed the weekend retreat.

Other programs of the region include:

- Global Missions
- Leadership Training
- Nurture of pastors & those studying to be pastors
- New Church Ministries
- Leadership Training
- Pastoral Placement
- Summer Camps
