

O Come ALL you faithful. . .

Christmas is a celebration of Christ's birth—a gift for ALL.

The Christian Church (Disciples of Christ) is completely about being that gift for ALL—today!

The Christian Church (Disciples of Christ) of Mid-America is your Region—YOUR expression of being that gift to ALL.

Through your gifts to the Christmas Offering, you help that gift reach out to ALL—

- through leader development
- through Search and Call support for new ministers through Area Ministers
- through Continuing Education support for Area Ministers
- through support of CWF/Women's Ministries
- through support of African American Convocation Ministries
- through connection and support of Global Mission work
- through Reconciliation Ministries
- through New Church Establishment Ministries
- through Vital Church ministries for transformation
- through Pro-Reconciliation/Anti-Racism Ministries
- through support of Missouri School of Religion
- through legal and organizational representation for the entire
Regional Church
- through interdenominational and interfaith communication
- through coordination with Disciples ministries throughout the world in the
General Church
- through dedicated staff who daily work for and pray for the Body of Christ,
administering, accounting for and representing Christ to the World.

**Please, give generously so that the gift for ALL
may grow and spread throughout the earth!**
